Prof. Juliana Alvarez

Para se mexer:

Present continuous: talks about actions that are happening now or in progress

We form by using subject + verb to be + verb + ing.

We **are thinking** about travelling. (think)

Tim is **waking** up early. (**wake up**)

Verbs ending with **E** we take it and add **ING**.

Tracy is **opening** the door. (**open**)

Verbs that the **three last letters are CVC** (consonant-vowel-consonant) we **double** the last letter and add **ING**.

Negative form: in the negative form **we add NOT** after the verb to be.

We are **not** thinking about traveling.

Tim is **not** waking up early.

Interrogative form: in the interrogative form **we invert** the subject and the verb to be.
