

Língua Inglesa

7º ano

Neste Guia, você vai estudar “Simple Past - Affirmative and negative forms”.

Pág. 7 a 13 do Volume 3

Prof. Juliana Alvarez

Para se mexer: Simple Past - Affirmative form

Em inglês, as frases na forma afirmativa no passado são flexionadas de duas maneiras: **Regular and irregular verbs**.

Exemples:

She **danced** ballet. – **Regular verb**

Heidi **slept** at her friend’s. – **Irregular verb**

Simple Past - Negative form

Na forma negativa, usamos o **didn't**, que significa “não”, para auxiliar a frase.

Assim, quando essa palavra estiver na frase, o verbo que estava **no passado** volta a sua forma original **no presente**.

Observe:

He **studied** English.

He **didn't study** English.

My father **saw** a snake.

My father **didn't see** a snake.

ATIVIDADES

Question 1 - Complete the blanks in the negative form using the verbs in parentheses.

The children didn't come to school yesterday. **(come)**
